Activities, Output & Outcome			
Objective	Activity	Output	Outcome
To improve the quality of education among children	Orientation program for parents	Parents were given orientation on, child education. Child health, Yoga, Child rights and children's parliament.	Parents understood the importance of their child education. Children proved their talent with quiz competition, Essay writings; Children improved their physical strength with Yoga & Games. Children have known their rights through Children's parliament.
	Enrolment and school visit	Children are enrolled into school & attend School regularly	95% of the children are attending the school regularly and school dropout reduced drastically.
	Parents committee Meeting	Parents committee was formed to watch over the running of the supervised study center and to support the smooth running of the center.	Parents were involved In keeping the atmosphere of the study center clean and tidy. Electrified the center with bulbs so that the children could study well. Responsibility of the children towards the education of their own children increased. Relationship with Local leaders improved.
	Evening Supervised Study	Every day evening conducted Supervised study in the Villages	100% Children attend the evening study center and their attitude towards education has changed their % of marks increased. They maintain neat and tidy environment. Their gained knowledge of reading and writing.
	Supportive Assistance	258 children were provided with Educational material, School Bags, Learning material to Children	The children who used to walk to school carrying books and note books in their hands now walk elegantly carrying the school hanging on to their back. Certainly the poor children's dignity has improved. The used to watch the rich children carrying school bags but now our children go to school with dignity.
	Health check up	Health checkup was done to 246 patients and they were treated for the viral infections, seasonal diseases and critical cases referred to Guntur Government General Hospital.	Mental and physical condition of children is stable and fit. People of the project area interact and passed on the information to others in their circle.
To enhance social responsibility among children	Children service camps	Children service Camp organized Children Improved School & Study center Environment by Service Camps. They raised slogans in the villages on ban of use of plastic bags and saving the environment.	Cleanliness is maintained in the village. Use of plastic reduced. Community participation in cleanliness of the village.
	Children parliaments	Children Parliament Formed. Children are known about needs of the village and minister's role and Responsibilities. They have learnt to QUESTION and raise their voice for their rights.	Children's voice is heard by the community. Service motto, Leadership qualities, communication skill increased in children.
