Objective	Activity	Output	Outcome
1.To improve the quality of education among children	Orientation program for parents (10 Villages)	Parents were oriented in all the villages on the importance of education and about checking whether the child is attending the ESSC and the school regularly	- Improved support from parents and communities in 60 % of the centers - Parents and the committee understand the importance of child education, child rights and demerits of child marriages. - Parents came to know importance of education and parents are taking personal responsibility in sending children of their locality/ street.
	Parents committee meetings-	- Parents meetings were conducted for the parents and parent's committees on importance of education and child rights and demerits of plastic usage. - Issues of child marriage were addressed in the meetings. - Enabled parents to identify issues related to children and address the same such as infrastructure facilities in all the centers.	
	Enrolment & School Visits	- Regular absentees and dropouts were identified. - Family and school visits were done to build rapport with children, parents, and teachers in the school.	10 dropouts & irregular children from 10 Villages are mainstreamed in the school. 90 % of children go to school and evening supervised study. - Children are active in extracurricular activities.
	Evening Supervisory Study-225 Days	Academic progress was monitored by: - Daily attendance - Group and Individual attention to homework - Slip tests were conducted. - Extra-curricular activities such as essay writing and drawing were conducted. - Reading and writing training was done	85 % of children improved their academic performance. 70% of children attend evening study against the enrollment. Reading, writing and speaking skills improved. - Change in attitude and behavior. - Children are well discipline. - Children are good at extracurricular activities. Out of 423 enrollment, 42 children hidden potential is brought out through ESSC.

	Supportive Assistance	• 423 children were supported with school bags, notebooks, and flanks. • 423 Children were provided with Towels.	• Children feel very dignified. And learning to improve self-dignity.
2.To enhance social responsibility in the children	Children Service Camps	• Service camps were organized, children were oriented and sensitized to cleanliness and plastic removal. • Environmental cleanliness camps such as cleaning around the tuitions centers in the school premises were organized.	• Eight out of ten villages have become plastic-free, clean, and green.
	Children Parliaments	• Formed 10 Children's Parliaments in 10 villages • The roles and responsibilities of ministers were explained. • Facilitated the parliament meetings to discuss to help the vulnerable people and old people in the villages.	• 45 % of children start helping each other. • 40 % of children manifested leadership qualities. • Children are aware of concept of children parliament and how to discuss issues at their level • Children improved in leadership qualities.

	Festivals	The below-mentioned festivals were observed. • Independence Day-On 15th August • Teachers Day on September-5th • Gandhi Jayanthi, the Birthday of Father of Nation-October 2nd • Children's Day Celebration-on 14th November-2022 • Neighborhood Festival in 10 Villages-in the month of December. • Children participated in Donor visit in the month of March.	• Children learn to maintain traditional values. • Children learn history.
