## Success Stories:

### Success Story-1

I am Boppidi George age 50, hailing from Kondaveedu. I have four girls and one boy. My only livelihood is beating drums for different festivals. When there are festivals only I have work. I do not know other work than drum beating. The Community Worker of my village observed my situation and helped me in applying for pension in village secretariat under the scheme of daily wage laborers. The government agreed to pay me under the pension Rs.3000. I am going to get it soon. For this I am grateful to VRO and the Community Worker.

### Success Story2:

I have three children and they go daily to school and attend Evening Supervisory Study Center run by VRO in my village. Observing my poverty conditions the Community Worker gave me knowledge that such a scheme is existing for the laborers like me and helped me in applying for pension under a government scheme. Now I am getting monthly Rs.3000 by the government. For this I am grateful to VRO.
